SEVENTH-DAY ADVENTIST® CHURCH

Daily Bible Readings for 2019

One of the things that Seventh-day Adventists were known for was our Bible knowledge. I still think that our knowledge of the Bible is very good – but it could be improved.

My way of getting more Bible knowledge is to read the Bible – not just books about the Bible. I aim to read the Bible through every year and have done now for over 34 years.

The Bible Reading Guide I use is based on the guide Reverend Robert Murray M'Cheyne compiled. I have altered it to give more New Testament reading, three journeys through the Gospels and three of Acts – but only one of the Psalms. The idea is not to study the passages. All you need to do is read and then pray about what you have read. There will be times when you mark your Bible; there may be times when you scratch your head and wonder what is going on; there should be times when you say, "what a wonderful God we have".

As you read you will be keeping up with me and might find yourself better equipped to understand where I am coming from in my sermons. You will get to know more than just your Bible – you will get to know God better.

Pastor Peter Jeynes
